Cllr Mark Hawthorne MBE	Cllr Lesley Williams MBE

Officers in attendance: Peter Bungard and Mandy Quayle

### 1. APOLOGIES FOR ABSENCE

The following members were present as substitutes: Cllrs Tim Harman, Carole Allaway-Martin and Iain Dobie.

### 2. MINUTES

The minutes of the previous meeting held on 6 March 2020 were approved as a correct record.

### 3. PUBLIC QUESTIONS

No public questions were received.

### 4. MEMBERS' QUESTIONS

No members questions were received.

### 5. EXECUTIVE DIRECTOR OF ADULT SOCIAL CARE AND PUBLIC HEALTH

5.1 The Chair invited Mandy Quayle, Director of Digital and People Services, to present the report to the Committee, with comment from Peter Bungard, Chief Executive and Head of Paid Service.

5.2 The report was taken as read but Members noted the following points:

- The current Director of Social Care (DASS) is due to retire in spring 2021 and officers were aware from research that this was a particularly challenging role to recruit to, as was Public Health.
- There had been a significant amount of change already within the top team at the Council and there was a current senior officer with significant potential who GCC were at risk of losing.

- There are currently strong, operational deputy directors in both Adult Social Care and Public Health.
  - The LGA Peer Challenge of the Council in 2018 had highlighted a need to improve GCC's operating model, e.g. the top structure and this proposal would help to do that.
  - There was a significant overlap in job roles, as a number of meetings were currently being attended by both DASS and Director of Public Health (DPH), as they were looking after an overlapping client group of vulnerable people.
  - Having reviewed a number of factors, it was concluded that the most reasonable and positive way forward was to recruit to the position of Executive Director of Adult Social Care and Public Health which would replace the current arrangement of a DASS and DPH.
  - It was viewed that this would balance the likelihood of being able to recruit externally with retaining internal stability.
- 5.3 Referencing the point made about the current deputy directors, a Member questioned whether there was a chance one of them would apply if the director position was advertised for. It was advised that they were both relatively recent appointments and were still growing into their own roles.
- 5.4 It was queried whether this was a pattern replicated in other local authorities or whether Gloucestershire would be a pioneer of the combined post. Officers had found 1 or 2 examples but confirmed it was a relatively unusual situation. It was pointed out however, that it was common for the DPH position to sit under one of the main directors and given the current pandemic, having the DPH post essentially at a deputy level, would not be a desirable model going forward.
- 5.5 Questioning the point on a national shortage of both director positions in the current market, it was accepted that it would never be guaranteed that GCC would be unable to recruit to the current position, but issues like this would always be a balance of choice for the organisation. Given the information received during research, it was accepted that there was a shortage of skilled directors in these areas and therefore the balance of choice weighed in favour of maintaining internal stability.
- 5.6 A member questioned whether there was any particular criteria/legislation the DASS position had to comply with. It was advised that the position has statutory obligations to carry out but there were no legislative requirements on the skills/experience of the candidate.
- 5.7 A member expressed disapproval of the recommendation, urging that it appeared to downgrade the importance of the DPH which, in their view, should be a standalone position, particularly considering the current pandemic and the workload it had produced.
- 5.8 Members noted that the recommendation was not being made to make a saving to the Council but instead, it was a risk assessed route forward to

help improve the Council's structure. There was a small saving referenced in the report but this was only there to give the Committee a full picture, rather than a driving factor. There was also an ongoing conversation about reinvesting this saving into GCC's public health department.

- 5.9 It was stressed that officers feel they have given public health the recognition it deserves, including the decision very recently to recruit a deputy director.
- 5.10 The Cabinet Member for Public Health expressed their support for the recommended approach, confirming during their time as Cabinet Member, they had noticed the significant overlap in the current roles and felt it would strengthen the function of public health rather than weaken it.
- 5.11 It was confirmed that the new proposed role would be on a RB9 grade which is the same as the other four Executive Directors, the top of which is £140,000 per year.
- 5.12 A member asked whether all the functions of both director roles would be retained into the one new post, or whether some of the functions would be devolved, potentially to the current deputy directors. It was noted the reason for this query was a concern that the new post would be overwhelmed with responsibility, or if the functions were devolved, would there be a possibility of the saving being reinvested into the teams to support the additional workload.
- 5.13 The Committee heard that the deputy director role in the public health team was a new appointment, so the role was already paid to 'act up' to DPH when appropriate. The money saved by the proposed combined post was suggested to reinvest in the public health team to allow extra capacity to deal with the pandemic and future response, rather than revisiting the pay grading structure for individual officers.
- 5.14 The Chair accepted that it was a fair challenge for officers to take away as to whether the additional capacity caused by the pandemic on the DPH would be reflected at some point via a change in the grading structure.
- 5.15 A member reiterated their serious concern of combining two very large job roles, viewing the move as risky, which was further heightened by not 'testing the waters' as to whether the current structure could be maintained through recruitment of a new DASS.
- 5.16 The Chair challenged this concern with a view that instead of having an Executive DASS with a DPH at a deputy role underneath, what this proposal did was elevate the DPH post to a strategic, executive post with the additional capacity of deputy directors underneath. They viewed this as an enhancement of the current structure rather than a risk.

*Minutes subject to their acceptance as a correct record at the next meeting*

- 5.17 It was confirmed that prior to this proposal, feedback was invited from all current, relevant directors and this proposal had been supported by the current DPH and DASS.
- 5.18 The Cabinet Member for Adult Social Care Commissioning expressed their full support for this proposal. They had seen how closely the current DPH and DASS have worked during this pandemic and that there was a significant amount of common ground in their roles. They see a significant risk in losing the current DPH if there isn't progression available within the organisation and this new role could be a vision for other local authorities in the future.
- 5.19 **The Committee resolved to approve the recommendations in the report.**

**CHAIR**

Meeting concluded at 14:30.

## **Draft Pay Policy Statement 2021-22**

### **What's changed since last year's Policy?**

A relatively light-touch approach to this year's iteration of the Pay Policy Statement features the following changes:

- Updated list of posts in which the post-holder earns £100k or more (FTE).
- Expanded definition of 'Market Rate Supplement' to include a response to recruitment difficulties that arise from the 'scarcity' of suitable candidates in the labour market (e.g. the recent recruitment to the Head of Pension Fund), as well as to those posts for which, while there may not be a labour market supply shortage, recruitment difficulties nonetheless arise because we pay below the 'going rate' in the market.
- Inclusion of a new section on Travel and Vehicle Provision. This includes the recently-introduced car leasing scheme (for low-emission vehicles), and provision of cars (suitable for emergency-response) for GFRS officers at Station Manager grade and above. This includes reference to the provision of fuel for GFRS Principal Officers (CFO, DCFO and ACFO) in connection with their 'continuous standby duty' commitment - this arrangement being in accordance with HMRC tax-exemption provisions confirmed by the council's tax advisers.

*Note – the availability of vehicles to employees elsewhere in the council remains covered by the Use of Council Vehicles Policy (Employment Handbook), which includes the conditions that apply to employees undertaking private mileage in council vehicles.*

- Reference to the introduction and subsequent withdrawal of legislation restricting public sector exit payments, and the Government's renewed statement of intent to 'work at pace' to introduce alternative measures to restrict excessive severance payments to public sector employees.
- Some incidental (non-substantive) changes to wording and format to improve clarity.

**DRAFT Gloucestershire County Council  
The Pay Policy Statement 2021-22**

---

**INTRODUCTION**

The purpose of this Pay Policy Statement is to provide a clear and transparent policy on the Council's position on the remuneration of its Chief Officers and other employees which demonstrates to the public openness, accountability and value for money.

The policy also meets the Council's obligations under the Localism Act 2011 and the associated statutory guidance set out in the document *Openness and Accountability in Local Pay: Guidance under section 40 of the Localism Act 2011*, together with the *Local Government Transparency Code 2015*.

The Council's pay arrangements reflect the need to recruit, retain and motivate skilled and committed employees to ensure high levels of performance, balanced with accountability to the public purse. They also recognise the importance of maintaining an approach to pay and reward that supports the high levels of flexibility and adaptability essential to the effective delivery of a diverse range of services in a challenging and rapidly changing environment.

The Council's pay and grading arrangements are underpinned by the principles of fairness and equality set out in the Equality Act 2010, the Public Sector Equality Duty and associated codes of practice.

The Council publishes an updated Pay Policy Statement (as approved by Full Council) each financial year (April to March).

This is the Pay Policy Statement for 2021-22.

## **What's covered in the Pay Policy Statement?**

1. This statement sets out the Council's policies for the financial year 2021-22 relating to the remuneration of all non-school employees, including explicitly:
  - Remuneration of Chief Officers
  - Remuneration of the lowest paid employees
  - Relationship between the remuneration of Chief Officers and other employees
2. 'Remuneration' for the purposes of this statement includes:
  - Basic salary
  - Any other allowance or fee arising from employment
  - Pension on early termination of employment
  - Redundancy pay
3. The term 'Chief Officer' as used in this policy refers to those defined as such within the Localism Act 2011. The Chief Officer posts covered by this policy are therefore the Chief Executive and those posts which report directly to the Chief Executive, and also the next management tier below (excluding any secretarial, clerical or administrative support roles), as set out in the Council's constitution.

***All references to 'Chief Officers' in this policy statement are therefore in respect of the above roles (i.e. to be distinguished from the wider group of senior staff employed by the Council on Executive Reward Band grades, all of whom are subject to National Joint Council for Chief Officers national conditions of service – these staff are referred to in this Policy as Executive Reward Band employees).***

4. For the purposes of the Pay Policy Statement the term '**lowest paid**' is defined as a full-time employee on the lowest salary point of the Local Government Services (Green Book) pay scales.

## **Who does the Pay Policy Statement apply to?**

5. This Pay Policy Statement applies to all non-schools employees of Gloucestershire County Council (the 'Council'), including the Gloucestershire Fire and Rescue Service ('GFRS'), unattached teachers employed centrally by the Council and Educational Psychologists employed under the Soulbury Committee national conditions of service.

6. Maintained schools are not covered by this policy but are separately required to produce an annual pay policy setting out the terms on which the remuneration of their staff (including pay awards) is based. Subject to certain discretionary powers delegated to schools by statute, support staff employed by the Council (in community and voluntary controlled schools) are subject to the same Green Book pay and conditions applicable generally within the Council. Support staff in maintained schools where the governing body is the employer (foundation and voluntary aided schools) may be employed on such pay and conditions as determined by the employer, although in practice these schools have opted to apply the Green Book. Academy schools are stand-alone organisations independent of the Council and therefore not affected by this Pay Policy Statement.
7. For unattached teachers (employed centrally by the Council), pay decisions are as determined by the Unattached Teachers Pay Panel (UTPP), chaired by the Director of Education, in accordance with the national framework set out in the Statutory Pay and Conditions Document (STPCD) for school teachers.

## **POLICY STATEMENT**

### **Job evaluation**

8. The job evaluation ('JE') process is applied to all jobs in the Council unless the salary is set nationally (e.g. firefighters). JE is a process by which organisations evaluate comparative job size by reference to a range of factors that measure and ascribe numerical values to the levels of responsibility to be carried by the job holder and the associated knowledge/skills required for effective job performance. The highest rated jobs are placed at the top of the grading structure and the lowest rated at the bottom. Objective application of a non-discriminatory JE scheme ensures that different jobs of 'equal value' are placed in the same grade.
9. The Council is committed to ensuring the fair and non-discriminatory determination of pay in accordance with equal pay legislation (Equality Act 2010) and the local government 'single status' agreement of 1997. The Council applies nationally recognised JE schemes, which were introduced locally in 2003 in consultation and agreement with our recognised trade unions.
10. The Hay JE scheme is used to evaluate senior manager jobs within the Council, which are those placed within the Executive Reward Band grades. The GLPC (Greater London Provincial Council) JE scheme is used to evaluate all other posts within the Council where the pay rates are not otherwise determined nationally.

11. The Council's JE process does not apply to those job roles for which the pay range is determined nationally through national conditions of service (e.g. the Grey Book for firefighters) or by statute (e.g. the STPCD for school teachers).

### **Grades and salary bands**

12. As noted above, once a job has been evaluated, the total JE score will determine the pay grade or band that will apply to the post.
13. The overarching pay structure for each employment group is as set out under the relevant national conditions of service and/or statute, for example the Green Book national pay spine.
14. There are two Chief Officer posts currently on a 'spot salary' (i.e. no incremental progression). These are:
- The Chief Executive (Head of Paid Service)
  - The Chief Fire Officer, whose post is also that of a director with wider responsibilities for several other services within the Council

The Council's policy is to apply the nationally negotiated pay awards for the following groups of employees:

- Joint Negotiating Committee for Chief Executives – national Salary Framework and Conditions of Service Handbook.
  - Joint Negotiating Committee for Chief Officers of Local Authorities (for employees attached to Executive Reward Bands). This pay award is also applied to the Chief Fire Officer, Deputy Chief Fire Officer and Assistant Chief Fire Officer.
  - National Joint Council for Local Government Services ('Green Book') conditions of service (for employees attached to Grades 1-11).
  - Soulbury Committee national negotiating body (for Educational Psychologists).
  - National Joint Council for Local Authority Fire and Rescue Services ('Grey Book') for firefighters.
  - National Conditions of Service for School Teachers in England and Wales ('Burgundy Book') for unattached teachers. However, most matters relating to the pay of teachers are determined by statute through the annual STPCD, and therefore outside the scope of this policy.
15. Unless otherwise prescribed through national agreements or subject to a different authorisation process specified under this Pay Policy, any changes to

the Council's pay scales/grading structure or other local pay arrangements are developed through consultation and negotiation with the relevant recognised trade unions, and subject to final approval by the Council's Appointments Committee and/or Full Council as appropriate. Full details of the Council's Appointments Committee are set out in the Council's Constitution (a copy of which is available on the Council's web site).

16. Any future changes to the pay and grading structure for Chief Officers will be submitted to Full Council as an amendment to this Pay Policy Statement.

### **17. Senior salaries (over £100,000)**

The following senior employees have a full-time equivalent (FTE) salary of £100k or higher as at 1<sup>st</sup> January 2021:

- Chief Executive (Head of Paid Service)
- Executive Director, Adults Social Care & Public Health (Statutory Director of Adult Social Care)
- Executive Director, Corporate Resources (S.151 officer)
- Executive Director, Children's Services (Statutory Director of Children's Social Care)
- Executive Director, Economy, Environment and Infrastructure
- Chief Fire Officer
- Deputy Chief Fire Officer
- Director, Partnerships and Strategy
- Director of Finance

### **Remuneration on recruitment**

*Subject to (1) the exceptions and flexibilities detailed in this Pay Policy Statement and (2) any overriding provisions set out in national conditions of service or through statute, the same recruitment and remuneration policies apply to all employees regardless of their grade or conditions of service.*

18. Where there are difficulties in recruiting to a particular type of post and it can be evidenced that the Council is paying below the market rate for the job, a market rate supplement (MRS) may be paid in addition to the evaluated pay rate. A MRS payment may also be appropriate in circumstances where recruitment difficulties arise due to a national shortage of suitably qualified individuals for highly-specialist professional roles.

19. The amount of the MRS is based on market rate data and is reviewed annually. The MRS is removed or adjusted when market data shows that it is appropriate to do so, or otherwise at the Council's discretion. In the case of Chief Officers the MRS must be agreed by Appointments Committee, and for all other employees it must be agreed by the Chief Executive in consultation with the Director of People & Digital, who will ensure any equal pay considerations are appropriately addressed.
20. Candidates are normally appointed on the minimum salary point of the grade for the post. However, if a candidate is already being paid above the minimum point of the post they are applying for, the appointment may be made on the next increment(s) above their current salary subject to not exceeding the maximum of the grade.
21. Where it is considered necessary to support the recruitment and retention of staff in 'hard to fill' posts an employee may be appointed on a higher scale point within the grade than would normally be applicable (see above). However, any such agreement is subject (1) to prior approval of the relevant business case by the Chief Executive, and also (2) by the Director of People & Digital Services, who will ensure any such proposal is compatible with equal pay legislation.
22. The Appointments Committee is responsible for recommending to Full Council the appointment (on a permanent or temporary or acting up basis) of the Chief Executive. The Committee is also responsible for the appointment (on a permanent or temporary or acting up basis) of the Chief Finance Officer, the Monitoring Officer, the Chief Fire Officer, the Director of Public Health and all executive directors, including the statutory posts of Executive Director of Children's Services and Executive Director of Adult Social Care & Public Health. Appointments to these roles are made within the approved salary range for the post.
23. Where it is necessary for a newly appointed employee to relocate in order to take up an appointment the Council may, in exceptional circumstances, make a contribution towards the reimbursement of relocation expenses. Any such recommendation will be subject to the approval of the Chief Executive in consultation with the Director of Digital and People Services who will ensure any such proposal is compatible with equal pay legislation.

#### **Flexibility to address recruitment issues for vacant posts**

24. In nearly all circumstances the provisions of this Pay Policy Statement will enable the Council to ensure that it can recruit effectively to any vacant post. However, exceptional circumstances may arise where there are recruitment

difficulties for a particular post and evidence to show that the provisions of this Pay Policy Statement are not sufficient to secure an effective appointment.

25. This Pay Policy Statement recognises that the above situation may arise in exceptional circumstances and that a departure from the Policy can be implemented without having to seek Full Council approval for an in-year change to the Pay Policy Statement. However, any such departure will be expressly justified in each case and will be approved by the Chief Executive in consultation with the Leader or, in the case of the Chief Executive, a special meeting of Cabinet.

### **Interim 'off-payroll' appointments**

26. For these purposes an 'interim' appointment will be an engagement other than through a regular contract of employment on standard Council terms and conditions of service (e.g. engagement through an agency or consultancy arrangement, or through a personal service company).
27. The Council is conscious of the need to secure value for money in the contractual arrangements for all appointments, including the need to ensure no one is inappropriately enabled to achieve a more favourable position in respect of their tax liabilities ('tax avoidance') than might otherwise apply. The Council will therefore have proper regard to this principle in applying the HMRC test for tax status under the IR35 tax provisions for any interim 'off-payroll' engagements.

### **Increases and additions to remuneration**

28. The Council's policy is to apply any nationally negotiated pay awards to employees at all levels of the Council. An exception to this will be where employees have transferred to the Council under the Transfer of Undertaking (Protection of Employment) Regulations 2006 ('TUPE'), retaining statutory protection of the pay and conditions that applied with their previous employer. Any post-transfer local government pay award in such circumstances will not be automatically applied, but will be considered on a case-by-case basis and with due regard to equal pay legislation.
29. For those employed on the Executive Reward Bands, incremental progression through the band is based on verification of satisfactory performance measured over a 12 month period. Increments are paid on 1<sup>st</sup> April each year; or six months after the start date if commencing employment between October and April, with April increments payable annually thereafter, subject to the performance review.

30. For employees on the Green Book pay scales, annual increments are awarded up to the maximum of the grade subject to the employee meeting the requirements of the job. Increments are paid on the 1<sup>st</sup> April each year; or six months after the start date if commencing employment between October and April, with April increments payable annually thereafter.
31. Incremental or other pay progression for other staff groups will be as specified under the relevant national conditions of service.
32. In appropriate circumstances and subject to the approval arrangements set out at para 53 (Recruitment and Retention Payments), accelerated incremental progression may be applied to support the recruitment and/or retention of key Green Book, Chief Officer or Executive Reward Band employees. (See also the section on Recruitment and Retention payments at paras 52-53, below).
33. There is no provision for payment of an increment at any other time or in any other circumstances for employees covered by this Pay Policy Statement.
34. For Green Book, Chief Officer and Executive Reward Band employees the next annual increment will be withheld from any employee issued a formal warning under the Council's Disciplinary or Capability procedures.
35. Any pay increases for unattached teachers will be as determined by the Unattached Teachers Pay Panel (UTPP) and subject to the relevant provisions of the statutory STPCD. Pay determinations made by UTPP will be formally recorded in the annual Unattached Teachers Pay Policy document.

### **The use of bonuses**

36. The Council does not make any bonus payments.

### **Payment on ceasing to be employed by the Council**

37. With the exception of firefighters and unattached teachers (see paragraphs 38, 41 and 42 below) the Council operates the same redundancy policy for all staff, including Chief Officers and the lowest paid. The payment is based on the statutory redundancy table in respect of the 'age' and 'length of service' factors, but provides a multiplier of 1.75 to the number of weeks' pay due, and payment is calculated on actual weekly pay rather than being restricted to the statutory maximum. The application of a multiplier and use of actual pay are discretions permitted under the Local Government (Early Termination of Employment)

(Discretionary Compensation) (England and Wales) Regulations 2006 (as amended), and the Council's policy in this regard has previously been approved by the Appointments Committee.

38. For those posts that fall within the remit of the Firefighters' Pension Scheme, redundancy pay is calculated using the statutory redundancy scheme but based on actual weeks' pay, rather than the statutory minimum. This group falls outside the regulations specified above and therefore the Council does not have the discretion to consider further enhancing the redundancy payment for a firefighter.
39. Full Council is responsible for approving any dismissal of the Head of Paid Service, the Monitoring Officer, or the S.151 Officer. The dismissal any of the executive directors or the Chief Fire Officer is the responsibility of the Appointments Committee.
40. The Council will only make early payment of pension benefits in line with the relevant pension scheme regulations and the relevant pension policy statement which applies to all those staff who are scheme members. This applies irrespective of grade.
41. Any payments made in respect of early retirement for firefighters will be in accordance with the provisions of the Firefighters' Pension Scheme(s) and/or Firefighters' Compensation Scheme 2006; and for unattached teachers in accordance with the Teachers' Pension Scheme.
42. Any employee of the council employed in a teaching role that is not within in a school's staffing establishment (i.e. an 'unattached teacher') and who is subject to the Burgundy Book (teachers' national conditions of service) will receive only the statutory redundancy payment if permitted under the Teachers' Pension Scheme to take an enhanced pension.

### **Re-engagement**

43. The Council will not, for at least two years, re-engage an ex-employee who has left with a redundancy, early pension or other severance payment, unless in exceptional circumstances (e.g. where an employee may have retrained in an area of skills shortage). However, for the avoidance of doubt, these provisions are not intended to apply to the re-engagement of an ex-employee who has simply exercised their right under the relevant pension scheme regulations to retire early and who is in receipt of a pension that has incurred no cost to the Council (this will generally be where any cost associated with the early release of the pension has been met by the employee through an actuarial reduction to the value of their pension entitlement).

44. A business case approved at director level and agreed by the Chief Executive is required before a final decision is made to re-engage within the two year period.

45. Any re-engagement of an ex-employee who is in receipt of pension will also be subject to any regulations and related policies on abatement that may apply under the terms of the relevant pension scheme.

The same policy regarding re-engagement and/or abatement of pension will be applied to all employees irrespective of grade.

### **Any other allowances arising from employment**

*The following allowances apply to all employees, with the exception of unattached teachers, firefighters and Soulbury staff whose pay and allowances in such circumstances will be determined in accordance with the relevant national conditions of service and/or STPCD:*

### **Payment for acting up or additional duties**

46. Chief Officers and Executive Reward Band employees are expected to be flexible in managing changing requirements. Therefore an honorarium will only be paid in exceptional circumstances and subject to approval by the Chief Executive. Any such arrangement must be for a designated time-limited period only, and will also be subject to agreement by the Director of People & Digital that it does not infringe equal pay legislation.

47. For other staff, in limited situations where an employee may be required or requested temporarily to carry out work of a higher grade, or otherwise undertake significant duties outside the scope of their contract of employment, the Council may consider an honorarium payment, the value of which must be consistent with equal pay and JE principles.

48. Any such payments are subject to review and are entirely at the Council's discretion and will only be made for a specified time-limited period.

### **Unsocial hours, overtime and other additional payments**

49. The Council does not make unsocial hours, overtime or other additional payments to Chief Officers or Executive Reward Band employees.

50. For Green Book employees, the Council recognises that certain roles and services require employees to work unsocial hours, or be available to work

outside normal hours and therefore on standby. In these circumstances the Council has a policy to provide additional payments or time off in lieu for eligible employees (those up to and including Grade 8 of the Council's Green Book grading structure), and has discretion to extend such arrangements to Green Book employees on higher salary points, subject to approval of a business case by the relevant director and Director of People & Digital. Full details are set out in the Additional Payments Policy in the Employment Handbook on Staffnet.

51. Any such payments applicable to other staff groups will be as set out in the relevant national conditions of service (Grey Book, Gold Book, Soulbury Committee and Burgundy Book/STPCD), but if any local arrangements are proposed for such staff this will be subject to the approval of the Chief Executive in consultation with the Director of People & Digital.

### **Recruitment and retention payments**

52. The Council has discretion to apply recruitment and/or retention payments in appropriate cases (e.g. evidenced recruitment or retention difficulties in respect of a particular type of post). This includes the discretion to apply accelerated increments within an employee's grade where this is considered to be the most effective option in the particular circumstances of the case.

53. The Appointments Committee would agree any such payments for Chief Officers and for all other employees the decision would be made, in consultation with the relevant Cabinet member, by (1) the Chief Executive in respect of the business case and (2) the Director of Digital and People Services, to ensure the proposed arrangement is compatible with equal pay legislation.

### **Travel, vehicle provision and car leasing**

54. Unless national conditions of service prescribe otherwise, reimbursement of approved business mileage is made in accordance with the Council's locally agreed mileage rates, which currently mirror the approved HMRC rates.

55. All operational officers in the fire service (GFRS) at Station Manager level and above must be afforded access to an operational response vehicle for the effective performance of their role. The vehicle must meet a range of prescribed standards, which are set out in Service Policy 047 '*Response Vehicle Policy for Operational Officers*'. The Policy sets out full details of the conditions governing the scheme.

56. The Principal Officers in GFRS (CFO, DCFO and ACFO) are subject to a Continuous Standby Duty requirement, operated through a three-level locally

determined rota commitment. In this regard choice of an appropriate vehicle with an MRRP valued up to 33.3% of salary and compliant with fleet policy, or the currently provided officers' response vehicle, is available to Principal Officers. Similarly fuel for the vehicle is provided in accordance with HMRC rules exempting such provision from tax liability. Principal Officers have entered into a voluntary commitment to contribute to the cost of private travel, determined by reference to mileage incurred in respect of Level Three standby.

57. The availability of vehicles to employees elsewhere in the council remains covered by the Use of Council Vehicles Policy (Employment Handbook), which includes the conditions that apply to employees undertaking private mileage in council vehicles.
58. The Council has joined up with Zenith (the UK's largest independent leasing and fleet management business) to provide staff with the opportunity to obtain a new ultra-low emission car through a salary sacrifice scheme, which was launched on 9<sup>th</sup> September 2020. Under the scheme staff can choose a two or three year salary sacrifice period and a choice of annual mileage arrangements. While the scheme is open to all staff it is envisaged it will assist with recruitment and retention in respect of hard-to-fill posts.

### **Returning Officer**

59. The Council is obliged to appoint a County Returning Officer who has specific duties in relation to council elections. A Returning Officer Payment is made in relation to this role, which is reviewed every four years in line with the Council's election cycle.

### **The relationship between the remuneration of Chief Officers and other employees**

60. The Council is not obliged to (and does not) have a specific policy on pay ratios, but recognises that the Hutton Review of *Fair Pay in the Public Sector* recommended a maximum ratio of 1:20 between the highest and lowest remunerated posts.
61. In accordance with the *Local Government Transparency Code (2015)*, the Council uses the principle of pay ratios to inform a wider understanding of the relationship between its highest and lowest paid employees; and information regarding the ratio between the Council's highest and median taxable earnings is published annually on the Council's web-site in accordance with the Code.

## **Publication of and access to information relating to the remuneration of Chief Officers**

62. Further information is available in the following documents on the Council's website:

- Statement of Accounts
- LGPS Pension Policy Statement
- Pay ratios

## **Apprenticeships**

63. Level 2 and Level 3 Apprentices are paid on spot-point salaries that are increased annually in line with the national pay award.

64. Levels 4-7 Apprentices are paid at a rate equivalent to 80% of the bottom point of the grade for the job in which they are engaged for the apprenticeship. Pay is increased annually in line with the national pay award.

## **Gender Pay Gap Reporting**

65. From April 2018 all organisations with 250 or more employees are required to publish an annual Gender Pay Gap Report showing the difference in pay between male and female employees both for the organisation as a whole and for each earnings quartile.

The Gender Pay Gap Report is published on the Council's website and also through the government's national data base.

## **Record of pay-related decisions**

66. To ensure appropriate openness and transparency, and compliance with equal pay requirements, where this Pay Policy Statement indicates a pay-related determination is subject to the agreement of a specified officer or officers, this should be recorded as a formal Written Decision.

## **Policy review**

67. The Council may amend this policy at any time with Full Council approval. Unless otherwise prescribed within this Pay Policy Statement any in-year

amendments will be published on the Council's website at that time, or otherwise included in the following year's Pay Policy Statement.

68. In this regard it is noted that, at the time of publication, the Government's position relating to the restriction of public sector exit payments remains unclear. The Restriction of Public Sector Severance Payment Regulations 2020 that came into effect on 4<sup>th</sup> November 2020 were subsequently revoked 12<sup>th</sup> February, with retrospective effect. The Government's stated reason for this was that the regulations had resulted in 'unexpected consequences' in some cases. However, the Government has indicated work is 'proceeding at pace' to introduce alternative arrangements 'to restrict excessive exit payments to public sector employees'. Any such alternative arrangements may therefore be introduced and apply to severance payments during 2021-22. Any resultant changes to the Council's would therefore be incorporated in next year's Pay Policy Statement.

69. This policy will be reviewed again no later than 31st March 2022.

## **Local Government Pension Scheme (LGPS)**

### **LGPS Discretions Policy Statement**

#### **Background**

Regulation 60 of the LGPS Regulations 2013 and paragraph 2(2) of the LGPS (Transitional Provisions, Savings and Amendment) Regulations 2014 say that a Scheme employer must prepare and publish a written statement of its policy in relation to the exercise of its functions under these regulations. There are similar requirements in respect of the LGPS 2008 and 1997 regulations regarding benefits accrued under the legacy 'final salary' schemes.

The council's current Discretions Policy Statement (the 'Statement') was approved by Appointments Committee in July 2014 and is published on the GCC website.

#### **What's changing, and why?**

Since publication of the previous Statement in 2014 there have been various decisions from the Pensions Ombudsman and courts relating to the exercise by employers of discretions available to them under the various public sector schemes. Advice from the LGA regarding these developments suggests an employer may be vulnerable to challenge if:

1. The employer's policy in relation to a discretion that is available under the scheme rules may be construed as an unreasonable 'fetter on discretion' (i.e. potentially unlawful) if expressed as a pre-determined outcome.
2. The employer does not give any indication of the type of circumstances in which an available discretion may be exercised.

A number of the provisions under our currently published Statement are potentially vulnerable to challenge in respect of one or both of the above. The Statement has therefore been revised to include appropriate caveats.

An indication of the type of situation in which discretion may be exercised has also been included by way of example. The following standard wording has been used for this purpose:

**“... unless exceptional circumstances apply and it is in the County Council’s economic and/or operational interests to do so, as detailed in a business case. This might, for example, be to redress a situation in which the member would otherwise suffer loss as a result of employer error or other maladministration”.**

The above standard wording would therefore potentially apply to circumstances where it is agreed that:

1. an employer’s error (or other maladministration) has occurred;
2. the member will suffer a loss as a result of the employer’s error; and
3. exercise of the discretion by the employer will remedy what would otherwise be an unfair loss to the employee.

Of the 14 sections of the DPS sections 3, 6, 8 and 10 are not affected and therefore remain unaltered. The other sections have been modified to incorporate the above amendments.

On the basis of the above the Appointments Committee is requested to approve the recommended revisions to the wording. As required under the regulations the revised Statement will be uploaded to the council’s website to replace the existing version and a copy will be forwarded to the Gloucestershire LGPS Administering Authority.

## Statement of Policy on discretions for:

**\*\*Employer Name: Gloucestershire County Council**

**\*\* PLEASE ENTER ABOVE DETAILS, which will be replicated onto each page of the document when it is printed, and complete the declaration below. Once completed and printed, please ensure the Policy is signed by a person suitably authorised to do so \*\***

The Local Government Pension Scheme Regulations require an Employer to prepare and keep under review, a written statement of its policy in relation to the exercise of its discretion under a number of provisions of the Regulations.

Similarly, there are a number of discretions under the Regulations which although not specifically requiring a written policy, would benefit from employers doing so, thereby demonstrating and ensuring a fair and consistent approach amongst its scheme members

This template document has therefore been prepared to assist employers in preparing a "Policy Statement". A brief description of each discretion has been included together with confirmation of whether a written policy is "Compulsory" or "Recommended".

## General Information

In formulating its policies, a scheme employer should have regard to the extent to which the exercise of the discretions could lead to a serious loss of confidence in the public service;

A Scheme employer **must** send a copy of its policy statement to the administering authority (Gloucestershire County Council) and **must** ensure that a copy is published and easily accessible to all of its eligible Scheme employees.

A Scheme employer **must** keep its statement of policy under review and make such revisions as are appropriate following a change of its policy. Where a revision to the statement is made, a Scheme employer **must** send a copy of its revised statement to the administering authority before the expiry of one month beginning with the date that any such revision is made and **must** ensure that a copy is published and easily accessible to all of its eligible Scheme employees.

## Notes regarding this document

Together with the description of each required policy, the relevant Regulation is provided, as per the key below.

### **1. Award of Additional Pension (Regulation 31 (R))**

Whether to award (*at full cost to the employer*)

- (a) an active member, or
- (b) a member who was an active member but dismissed by reason of redundancy, or business efficiency, or whose employment was terminated by mutual consent on grounds of business efficiency,

In the case of a member falling within sub-paragraph (b) above, the resolution to award additional pension must be made within 6 months of the date that the member's employment ended.

**Gloucestershire County Council will not award any additional annual pension unless exceptional circumstances apply and it is in the County Council's economic and/or operational interests to do so, as detailed in a business case. This might, for example, be to redress a situation in which the member would otherwise suffer loss as a result of employer error or other maladministration.**

### **2. Additional Pension Contributions (Regulation 16 (R))**

Whether to fund in whole or in part, any arrangement entered into by an active scheme member to pay additional pension contributions by way of regular contributions in accordance with Regulation 16(2)(e), or by way of a lump sum in accordance with Regulation 16(4)(d).

**Gloucestershire County Council will not fund, in whole or in part, any Additional Pension Contributions unless exceptional circumstances apply and it is in the County Council's economic and/or operational interests to do so, as detailed in a business case. **\*\* there may be direct costs to the employer where consent is given to the early payment of benefits before the members NPA**

**Gloucestershire County Council will consider each request on its merits and a request will only be agreed if it is in the County Council's economic and/or operational interests to do so, as detailed in a business case. ### **4. Switching on the "Rule of 85" rule (Schedule 2 – paragraph 2(2) (TP))**

**\*\* there will be direct costs to the employer where the "Rule of 85" is switched back on for such members.**

**Gloucestershire County Council will not normally 'switch on' on the Rule of 85, unless exceptional circumstances apply and it is in the County Council's economic and/or operational interests to do so, as detailed in a business case. This might, for example, be to redress a situation in which the member would otherwise suffer loss as a result of employer error or other maladministration.**

grounds in exceptional circumstances. Requests not normally succeed due to the associated cost.

Gloucestershire County Council will consider each request to waive actuarial reduction on its own merits. Requests will only be agreed if it is in the County Council's economic and/or operational interests to do so, as detailed in a business case. This might, for example, be to redress a situation in which the member would otherwise suffer loss as a result of employer error or other maladministration.

### **6. Contribution Banding (Regulations 9(1) & 9(3) (R))**

\*\* How the pension contribution band to which an employee is to be allocated on joining the Scheme, and at each subsequent April, will be determined and the circumstances in which the employer will, in addition to the review each April, review the pension contribution band to which an employee has been allocated following a material change which affects the member's pensionable pay in the course of a Scheme year (1 April to 31 March).

*\*\* Where a scheme member is "rebanding", the Scheme employer must inform the member of the revised contribution rate and the date from which it is to be applied.*

**Employees who are active scheme members of the LGPS will be assigned each April to the relevant contribution band based on the pensionable pay that they earned in the previous 12 months and any increment awarded on 1 April.**

**Those employees who join the LGPS during the scheme year will be assigned to the relevant LGPS contribution band based upon their starting annual salary. If an employee does not have an annual salary rate and has not been working for the whole of the previous year (for example those working under a casual contract) they will initially be assigned to the lowest LGPS contribution band.**
