<b>6</b>	<b>MOTION 901 - ROAD SAFETY IN GLOUCESTERSHIRE</b> <b>REPORT TO FOLLOW</b> At the Council meeting on 18 May 2022, the following motion was agreed:  <i>This Council notes:</i>	Gavin Roberts, Philip Williams

- *That 2022 has seen a significant number of incidents with motor vehicles in Gloucestershire, resulting in 96 serious injuries and 14 deaths in just the first four months.*
- *That Gloucestershire’s road safety record has actually worsened over the last decade, with our county in the bottom 5 per cent of local authorities in Britain for reducing the number of people killed or seriously injured between 2011 and 2019.*

*This Council believes that road safety needs to be proactively managed, with the emphasis on preventing deaths and serious injuries, and should not wait until tragedy strikes for changes to be made.*

*This Council welcomes the road safety policy review being undertaken, which will involve county wide consultation, seeking responses from District, Town and Parish Councils. Interested road safety groups and residents will be encouraged to respond. Safer Gloucestershire will receive regular input from the Road Safety Forum, provided by officers who have a statutory responsibility for road safety. This dialogue will be open and transparent. County Councillors will be encouraged to work with their Parish, Town and District colleagues, ensuring that local voices are heard regarding county road safety.*

*This Council resolves to:*

- *Ask officers to provide Environment Scrutiny and Fire and rescue Scrutiny with a thorough briefing on recent accidents and their causations.*
- *Call on Cabinet to ensure that communities and all levels of governance in Gloucestershire are thoroughly consulted on the refreshed Road Safety Policy.*
- *Call on Cabinet to work with Environment Scrutiny and Fire and rescue Scrutiny to develop a policy of ongoing dialogue with our residents to see road safety measures proactively installed in our communities.*

*Members to receive a briefing on recent accidents and their causations and to consider how to work with Cabinet to develop a policy of ongoing dialogue with Gloucestershire residents on road safety measures in the community.*
