In the exercise of my powers set out in Article 14.02.1 of the Council's Constitution, I make the following amendment to the Council's Constitution:

Rules of Procedure Part 4 Section 15.2 of the Constitution:

The following explanatory note shall be added as set out below:

### 15.2 Chairperson's casting vote

If there are equal numbers of votes for and against, the Chairperson will have a second or casting vote.

***Note** – To avoid deadlock on the election of a Chairperson or on a procedural motion relating to the election of a Chairperson, the matter will be determined by the toss of a coin.*
