

Pensions Contract Decisions

Report of the Strategic Finance Director

The purpose of this report is to inform the Board of two important contract decisions that have been taken recently.

These decisions relate to:

- The award of a new 7 year contract for actuarial services
- The award of a contract for just over 4 years for the hosting of the Altair Pension Administration system.

Decision reports on both of these contracts are attached.

Recommendation

That the Board notes the two contract decisions.
