

Corporate Parenting Group Annual Report 2019/2020

Introduction

Gloucestershire's Corporate Parenting Group (CPG) brings together a number of elected members, senior agency representatives and practitioners to ensure children in our care are supported to have high aspirations and achieve their full potential. All Members have a corporate responsibility for Children in Care which the CPG enacts on their behalf. The group has a key role in ensuring that the Local Authority and its partners are discharging their responsibilities towards Children in Care and young people leaving our care.

Annual Report

The Annual Report 2019/2020 provides an overview of the work undertaken by the group during the year 1st April 2019 – 31st March 2020. This is the second report that the Corporate Parenting Group has brought forward, and forms part of the wider improvement activity underway in Gloucestershire, by ensuring that Full Council has an appreciation of its work. It has been presented to The Corporate Parenting Group in July this year, as was anticipated when last years Annual Report was presented to Full Council and will be presented at the same time each year going forward.

The Corporate Parenting Group asks that the Council note the Corporate Parenting Group Annual Report 2019/2020.
