

**1E Photographs of Claimed Route,
30 July 2020**

Start of claimed path at point A, looking east. Blocked by branches and barbed wire

Claimed path looking west to point A, showing obstruction and stile in background

**Barbed wire and
branches used to
block path at western
end**

**Claimed route
looking east
showing
obstruction**

Looking west
along claimed
path back to
point A

Halfway along
claimed route
looking east.
Path continues
straight and
then curves to
the left

Same position looking south-west; claimed route curves to the right back towards ASH 42

Looking NE towards point B. Claimed path curves downward and to the right in a U shape.

Sign erected
high on tree:
Private Land
No public
access or
right of way

Looking east
towards point
B and the
road,
showing
obstruction

Eastern end of claimed route; path joins road next to the road sign

Eastern end of claimed route (point B)
