

GLOUCESTERSHIRE ECONOMIC GROWTH JOINT COMMITTEE

FORWARD PLAN ITEM

Item (subject matter for the item - as entered on the published forward plan)	Aligning Gloucestershire's Food and Farming Policies
Key Decision	No
Purpose	To consider funding the Countryside and Community Research Institute (CCRI), supported by the Gloucestershire Food and Farming Partnership, to research and map farming and food-related policies in the County, leading to an action plan to create a more coherent and systemic approach to increasing farming and food's contributions to the local economy, environment, health and nutrition, food security, education etc.
Date	13 th February 2023
Deadline (the latest date for adding the item to the published forward plan)	<i>All key decision items need to be added to committee forward plan 28 clear days before the meeting (excluding the day of publication and the day of the meeting). To assist the process of adding items to the forward plan, please submit a copy of this form for both key and non-key decision items 28 clear days before the meeting.</i>
