

## Gloucestershire Health and Wellbeing Board

<b>Report Title</b>	Update on the development of Tier 1 Infographics for the Gloucestershire Joint Strategic Needs Assessment (JSNA).
<b>Item for decision or information?</b>	For information
<b>Sponsor</b>	Siobhan Farmer
<b>Author</b>	Katie Hopgood
<b>Organisation</b>	Gloucestershire County Council
<b>Key Issues:</b> Delay to commencement of Tier 2 power BI development	
<p>Infographic summaries for a range of health and wellbeing board priorities are now live on Gloucestershire INFORM website for use by commissioners, planners and providers of services. These detail current need, best practice and service provision for a range of topics including;</p> <ul style="list-style-type: none"> <li>• Best start in life</li> <li>• Healthy weight</li> <li>• Alcohol</li> <li>• Social isolation</li> <li>• Tobacco control</li> <li>• Physical activity</li> <li>• Frailty</li> <li>• Diabetes</li> </ul> <p>A further suite of infographics for respiratory conditions, anti-microbial resistance, cardiovascular disease, and air quality are in final draft and pending stakeholder sign-off.</p> <p>There have been delays to commencing the development of a more detailed power BI dashboard (known as tier 2 of the JSNA) on the topic of health inequalities due to capacity of the provider commissioned to work with GCC on this product, however these are scheduled to commence in late September 2023 and anticipated to take three months to test and build the first dashboard.</p>	
<b>Recommendations to Board:</b>	
For health and wellbeing board member to promote these resource within their organisations and to note the timeline for commencement of tier 2 power BI dashboards.	
<b>Financial/Resource Implications:</b>	
None at this time.
